

4 Days / 3 Nights Amboseli & Tsavo West Safari

“Where Kilimanjaro Meets Red-Earth Giants”

An unforgettable journey through iconic landscapes, legendary wildlife, and natural wonders.

Day 1: Nairobi to Amboseli – Giants of the Plains

Depart Nairobi early in the morning and journey south along the Nairobi–Mombasa highway, with the silhouette of Mount Kilimanjaro gradually emerging on the horizon. Arrive at Amboseli National Park around midday, where the open savannah greets you with a warm breeze and herds of elephants roam freely beneath Africa’s highest peak.

After checking in and enjoying a delicious lunch at your lodge or camp, head out for your first **afternoon game drive**. Amboseli is famously home to some of Africa’s largest tuskers, and as the sun begins to set, you’ll witness the golden light bathing the landscape in magic. Return to camp for dinner and an evening under the stars, with the distant rumble of elephants echoing in the night.

Accommodation: AA Lodge Amboseli

Day 2: Full Day in Amboseli – Sunrise Safari & Cultural Glimpse

Wake up to a spectacular **sunrise game drive**, when the wildlife is most active and Kilimanjaro often reveals its snow-capped summit in full glory. Lions, cheetahs, hyenas, and large buffalo herds may appear as the mist clears. Return to camp for a hearty breakfast and a bit of mid-morning relaxation.

In the afternoon, head out again for another game drive—this time exploring the seasonal marshes and acacia woodlands where birdlife thrives. Watch as elephants wade through the swamps and zebras gather in large herds. Cap off the day with dinner and a campfire chat beneath a star-studded sky.

Accommodation: AA Lodge Amboseli

Day 3: Amboseli to Tsavo West – Lava Lands & Mzima Magic

After an early breakfast, check out and drive to **Tsavo West National Park** via the scenic Loitokitok–Chyulu route. The change in scenery is striking: red earth, rugged terrain, and dramatic volcanic hills greet you as you enter this untamed wilderness.

Stop for a visit at **Mzima Springs**, where crystal-clear spring water flows from underground lava caves. Here you’ll walk along a trail shaded by fig trees and watch hippos, crocodiles, and shimmering fish from a unique underwater viewing chamber.

Continue with a **game drive through the Shetani lava flows**, a hauntingly beautiful expanse of solidified black rock. Arrive at your lodge or tented camp tucked deep within Tsavo West’s wilderness. After a hearty dinner, enjoy the sounds of the wild—Tsavo is known for its raw, remote feel and a sense of deep connection to nature.

Accommodation: Voyager Ziwani Camp

Day 4: Tsavo West to Nairobi – One Last Safari Memory

Start your final morning with a sunrise drive through Tsavo’s rugged terrain, where sightings of leopards, elands, and red-dusted elephants offer a thrilling farewell. After breakfast, begin your relaxed journey back to Nairobi, passing through savannahs and small towns that remind you of the beauty of Kenya’s heartland.

Arrive in Nairobi by late afternoon, filled with incredible stories, photos, and memories of **Kilimanjaro mornings and volcanic trails**—a perfect blend of two of Kenya’s most iconic parks
